Mission Statement

Kidz Zone strives to provide a secure, happy, enriching and loving environment convenient to your home or place of work while promoting growth, learning & development to prepare children for their future. Our center responds to today's growing need of working parents for the kind of excellent childcare facilities that fosters a peace of mind.

What we have for YOU!!

6 weeks to 12 years of age

We understand how important it is for parents to have childcare readily available. While many daycares do not offer infant care here at the Kidz Zone we accept infants starting at 6 weeks to 12 years of age.

Transportation

At times it is hard to get your child to daycare and get to work on time. We offer transportation for parents that may not have transportation or the time. (Fee's vary based on location)

State Assistance

We accept state assistance.
