A GOOD PLACE TO BRING UP A FAMILY

... OR A BUSINESS

* *

We have strong faith in the future of the thriving Northern Kentucky community.

That’s why we strive constantly to carry out in every possible way the full meaning of our motto: “At Your Service!” For we believe sincerely that gas and electric service of high quality, provided at the lowest practical cost, can contribute immensely to the welfare of a community.

That’s why we have joined our affiliated company, The Cincinnati Gas & Electric Company, in a program designed to tell business leaders throughout the nation about the commercial and industrial advantage of the area that centers here. We believe this activity will help Northern Kentucky grow.

We consider our Company to be a citizen of this community. And you may be sure that we shall do our best to continue to be a good citizen.

ATHLETE’S PRAYER

Be with me, God, and help me win... the contest today... but let me hear with humble heart... the praises people say... let me be perfect in my form... and let each aim be true... and let me take a certain pride... in everything I do... but fill my soul with honesty... and listen to my prayer... That every time I play the game... I play it fair and square... because the glory of this world... can only last so long... and there is bound to be an end... to every magic song... and every victory I gain... belongs at last to you... because you give me all the strength... to see each struggle through.

When down in the mouth, remember Jonah; he came out all right.
