CO-OPERATION WILL PREVENT ACCIDENTS.

ACCIDENTS that are fatal, or those that maim or mar the child can be absolutely avoided if PARENTS AND TEACHERS will earnestly and conscientiously unite with us in the persistent effort to prepare the mind of the child and warn and educate him to the dreadful probabilities of disaster from carelessness and neglect of dangers upon the street.

We earnestly desire to prevent these accidents.

FATHER, MOTHER, TEACHER, WILL YOU JOIN HANDS WITH US IN THIS EFFORT?
