Approximately one third of the appraisal or $1,680.00 is your assessment. The tax rate is 75 cents per $100.00 of your assessment, so your tax would be $12.60.

The city trustees may or may not accept the new assessments. They did not vote to adopt this equalization, they merely voted to consider it. But, if they do accept the new assessments, you may still appear before the equalization board for adjustment if you are dissatisfied with your assessment.
