CITY COUNCIL MEETING

Regular meeting of City Council was held at the Hoffman residence Tuesday, Sept. 5th. All members of Council, the City Treasurer, the City Clerk and City Marshal were present.

Usual city bills were approved and paid.

City Marshal, Lou Bartlett, announced that he had been called to active duty in the United States Navy. Council thereupon appointed Andy Noll to serve as Marshal during the absence of Lou Bartlett. The appointment was accepted by Andy Noll.

Council reaffirmed their approval of the sewer project on E. Crescent Ave. A motion was passed to notify all property owners to cut weeds on their property to a point 20 feet from the curb line.

Next meeting will be held Monday, October 2nd.

EAST CRESCENT SEWER PROJECT

Most citizens are familiar with the trouble we are having with the large sewer on E. Crescent Avenue. At the present time there are two tile sewers which cross under E. Crescent Avenue at a point near the south end of Mr. Becker's property. Both of these sewers are stopped up and a portion of one of them has completely collapsed, making a very bad condition whenever we have a heavy rain.

These sewers are about 16 feet underground, in view of which it was found to be cheaper to lay an entire new sewer at a higher level.

Since Mr. Becker is planning to re-lay a part of the same sewer on his property, it was decided to handle the entire sewer as a single project and apportion the cost between Mr. Becker and the City. By handling the work this way, and if some of the citizens lend a hand in doing the work, it is estimated the City will save approximately $500.00 on the project.
OBSERVE THE SPEED LIMITS

Complaints have been received about excessive speed with the City limits. The Marshal has warned that the speed limit in Woodlawn is 20 miles per hour and requests the cooperation of the citizens in observing this speed limit. If some of your friends are guilty, please give them a friendly warning.

AUTUMN FIRES

In the other gardens
From all up the vale,
From the Autumn bonfires
See the smoke trail!

Pleasant summer over
And all the summer flowers,
The red fire blazes,
And the grey smoke towers.

Sing a song of seasons!
Something bright in all!
Flowers in the summer,
Fires in the fall!

Robert Louis Stevenson.
