CITY COUNCIL MEETING

Regular monthly meeting of City Council was held at the Community Center, Monday Evening November 5th with Mayor Lewis H. Williams, presiding.

Minutes of the previous meeting and the Treasurers' Report were read and approved.

The following bills were approved:

Geo. Feyer, Concrete curb, gutter and sidewalk on East Crescent Ave $380.50
City Newport, Standby Fire Protection 100.00
Union Light Heat & Power Street Lights 30.00
City Bellevue, Burning Garbage 12.00
A. Plieman, Collecting Garbage 54.00
Printed forms 1.25
Four Election Officials ($3.00 each) 12.00
Total $489.75

Council approved an increase in pay to the Election Officials from $2.00 to $3.00 for Election Day.

A communication was read from the Superintendent of County Schools stating that they will pay up to $75.00 tuition per year for Junior High School and up to $100.00 per year for tuition for Senior High School, for children attending other than schools in Newport or Bellevue. The tuition will be paid to parents of children upon presentation of receipted tuition bill.

A report was made concerning a fire plug on E. Crescent. This was broken off by a truck. Repairs will be made by the City of Newport and charged to the Insurance Company. At the same time a turn off valve will be installed so that a repetition will not necessitate turning off the water in a large part of the City.

The new ordinance governing parking on one side of the street only was read and discussed at length. It is realized that the restrictive parking will work a hardship on a few of the citizens. However it is felt that the safety of the Citizens and the necessity for a clear path for the fire equipment, requires that some action be taken. The matter was carried over to the next meeting for further consideration.

Various other matters were discussed and corrective action taken, including a water leak on West Crescent Ave, Repairs of Streets, and the drainage and sewage from the new housing on the East end of Town.

V. F. D. MEETING

The regular meeting of the Volunteer Fire Dept. was held on Oct. 22, 1951 at the Fire House with the president, Al Lombardo, presiding.

He also offered to donate the necessary paint to cover the entire walls on the inside of the building and suggested to paint the outside of the building at a later date.

Mr. W. Walters and Mr. Lee Smith were accepted as new members.

Comment was made on the success of the Dedication of the Building. A full report on the money gain from the Dedication will be given at a later date.
Thursday Nights were set as work nights.

FIRE NOTES

It is with great credit and distinction we should give to the Volunteer firemen and Citizens to the response to the fire on Oct. 23. Although the fire was in the City of Newport the Fire Truck of our fair city was called and was on the scene before the Newport Fire Truck arrived. Arriving on the scene the men saw the location and type of fire and proceeded to do their best to hold down the blaze until Newport Pumper started. At this time the Dept. would like to thank Mr. Joe Rasche for the use of his Soda Acid Extinguisher. This grass fire was started by several boys in the neighborhood. Again utmost caution is urged in burning of leaves and Parents should admonish their children to the danger of fire.
