PORTIGAL.

Fron its The Jewish Pilgriz

Are those the ancient both fills

Where angier without or off
Is this the land our story this
White form to yet cold!
For I have passed by many a brice
Ofe 'many a tond and dies.
But still, oh! promised Firstles,
My dreams have been of thee.

less thy mountain codair grees.
Thy valleys fresh and fair,
With summers bright as they have been
When Intest's home was there;
Theo' over these sword and time thave sped.
And Gross and Grescent shone,
And Insarily the chain that prest.
Yet thou art still our own!

Take are the weadering rese that go
Undest through every land,
Nyhose blood hath stained the poler anow,
And quencied the desert send;
And thin the honeless hearts that turn
From all earfilm admires to there.
With their lone fight for ages borne

In ableptes memory.

For thomes are filten, and nations gone,
Before the march of time,
And where the occas rolled sions.
Are govern in their prime.

Government of contine proughshares married the how
Of Zion had y bill;
Where are the Konen eagles now?
Yet Jobbs wanders still.

And hath she wandered thus in vaid A pligrim of the past? Rol leng deferred her hope hath been But it shald come at last; For in her wastes a voice I bear, As from some propher's urn, It bids the sations build not there, For Jacob shall return.

Oh! fost and loved Jerusalem Thy pilgrim may not stay
Fo see the giad carth's harvest home,
In thy redeeming day;
Jot pow resigned in faith and trust,
I seek a nameless tomb beneath thy hallowed dust the wanderer room.

BY J. G. WHITTIER. " Hast thou considered the heavens?" -- Joh

"Hast thou considered the heavers?"—Job.

Look into nearbin
The still and soleme stars are burning there.

Like sitars lighted in the upper life.

And to the worship of the Great God given.

Where the pure spirits of the usainning dead.

Redslimed from earth, and sanctified, might sh

The boliouses of parger!

Look abore ye!

e earth is glorious in lissummer weath—
e tail trea beed with werdure, and beneath,
cloug flowers are blanking like unwhurpere
t those must change:—Earth's glories be no
d til ber bloom and greenness bend before
'be minutry of death!

Oh turn ye then,
And bend the knee of worship; and the eyes
If the pure stars aball sincle with gird surprise
At the deep revenue of the sons of men:
Ayes—kneel in worship; till the stars grow dim;
And the skies vanish at the thought of Him
Whose light beyond then hee?

The Sen-Boy's Dream

The Sen-Rey's Bream.

The stable cased, and our thip was secured,
roar of the whirl wind in sighs died away;
manucks the toil wearied grew were fill soon'd
watch that took'd out for the dawning of day
power my sense her soft mantic but
stables for find the stables of the
stables of millingth lope ler'd me to roam,
shores, and monthish, transported I flew,
heart wander'd beck to the scenes of my home

oft

Had roved when my hopes and existence were young

The boatswain's shrill whitte here piped us aioft.

Yet I thought 't was the lark from the wildwood tha

ung.
But the visions that cheated my fancy were fled,
I swobe, still to gaze on the billows wide foam;
And I sighed, as I looked from the mast's giddy head,
For the peaceful retreat of my own mountain home

Long have I watched that lonely star which bean
With brightness, when 'the darkness all around :
For to my heart that lovely twinkler seemeth
Like hope, when sorrow's "clouds of night about "clouds of night abound

For oh! when deadly pain, affliction, sorrow, Chard o'er me, I have seen a beam afar, That from my soul its moodiness would borre midst slouds a lovely, lonely star

es weeked on a hearth're Fair one, take beed how you edvance, Nor tempt your own undoing: If you're too forward—fearful chance! A offerk may prove your rain.
