Never since the day of the Revolution...
The words of the President...
The words of the President...
The words of the President...

POLITICAL.

Mr. Clark's Speech.
The House of Representatives...
The House of Representatives...

One principle, certainly, the Executive ought to have no agency in the formation of laws...
The carrying of the law into effect...
The carrying of the law into effect...

Another principle, certainly, the Executive ought to have no agency in the formation of laws...
The carrying of the law into effect...
