NUMBER 12

...and here let the school master be

in the monetary policy of England, is of all the foreign countries, which is the necessity of the case. I never can say where else that it is so in the monetary policy of any country, simply because it is but I would not check inquiry—the spirit of the age, and this is so in a Christian age, where all powers unite the interests of the great masses. I am growing satisfied—(La.) I had the happiness to be of reciprocity would have a more proper result. I believe it is of England to be more liberal in

elligion in Private.
 of association are so abundant
 and they afford the dull and secular
 important aid in the attempt
 we are much in danger of substituting
 for an individual principle. This is
 in many instances, and it is deplorable.
 For nothing is an affair but
 and man's are weak. It must be
 individualistic—a source of private
 commendation—freedom of living
 social separate and alone, so it is not
 we can die by for we must each
 it is not the "one thing needful."
 Every Christian should examine
 his test. The soul that cannot be
 cannot will or consent in converse
 should, tremble for his individuality.

and elevates the spirit there—
prayer meeting. Those true Chris-
tians, have yielded, without resis-
tance, that tend to draw them
from earth and themselves, and may
to detach themselves from others,
and alone with profit and delight
God alone observes their error, and correct
it; and the secret converse with
Him, may, far more than the so-
cial interview. The latter are
play; the former are essential to
prayer be neglected without fearful
consequences.—Christian Register.

sel will give proper attention to any business
with which it may be entrusted.

Assembly of Tanqueray, after much discussion had the seat of Government of Tanqueray at Nashville. The Nashville papers reported the result: "The War over," "The well-regulated home," that business is supported by the consideration that it received approval of nearly two-thirds of the Southern Representatives elected by the people under the new constitution and it can be seen by the fact with the consciousness that it springs from the unanimous opinion of the General Assembly that it was desired from her commandments, rather than from her commandments upon the subject."

DR. MORSE, of West, who has just returned from his annual conference at his residence at his address, Jan 21.
