#### BANDS' SARSAPARILLA.

The proprietors of BANDS' SARSAPARILLA,  
who are not in many cities, advertise  
the virtues of the Extract of Sarsaparilla.  
It has been used for many years, and  
now and then it seems to be a new  
cure. It is now in the hands of  
the Nurses. New York is altogether  
the most popular city, but Boston, New  
Haven, & similar cities, have  
attracted the public for many years,  
but their popularity as a new cure is  
brought about by persons of the best  
reputation, who have no knowledge  
of the real value of this medicine.

—

HAROLD BAILEY.

We, the subscribers, being residents in Wil-  
mington, and North Haven, have the same  
desire to use the Extract of Sarsaparilla  
as the Nurses. New York is altogether  
the most popular city, but Boston, New  
Haven, & similar cities, have  
attracted the public for many years,  
but their popularity as a new cure is  
brought about by persons of the best  
reputation, who have no knowledge  
of the real value of this medicine.
